## Cool Comfort

January 15, 2005

*The Monitor*

The weather was surprisingly comfortable Friday, and many Valley residents took to the outdoors for a good time. Srinivas Vangur, above left, swings a cricket bat at a tennis ball as Ravi Kumar, takes a defensive position as they play cricket with a group of friends outside their apartment near the University of Texas-Pan American on Friday evening in Edinburg. The group took turns at bat, attempting to knock the ball past the defensive players. At left, James Perez, 7, pulls up his sister, Haley, 4, at Friday's grand opening of the Jardines de la Fuente housing complex in Pharr.
